

Castles Topic – Spring 1 2018

History											
<p>The purpose of a castle was to protect</p>  <p>People in the past had different lives to ours.</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr style="background-color: #e0e0e0;"> <th colspan="2" style="text-align: center;">Features of a castle</th> </tr> </thead> <tbody> <tr> <td style="width: 20%;">Drawbridge</td> <td>A bridge, especially one over a castle's moat, which is hinged at one end so that it may be raised to prevent people crossing or to allow vessels to pass under it.</td> </tr> <tr> <td>Moat</td> <td>A deep, wide ditch surrounding a castle, fort, or town, typically filled with water and intended as a defence against attack.</td> </tr> <tr> <td>Portcullis</td> <td>A strong, heavy grating/gate that can be lowered down grooves on each side of a gateway to block it.</td> </tr> <tr> <td>Ramparts</td> <td>A defensive wall of a castle, having a broad top with a walkway and typically a stone parapet.</td> </tr> </tbody> </table>	Features of a castle		Drawbridge	A bridge, especially one over a castle's moat, which is hinged at one end so that it may be raised to prevent people crossing or to allow vessels to pass under it.	Moat	A deep, wide ditch surrounding a castle, fort, or town, typically filled with water and intended as a defence against attack.	Portcullis	A strong, heavy grating/gate that can be lowered down grooves on each side of a gateway to block it.	Ramparts	A defensive wall of a castle, having a broad top with a walkway and typically a stone parapet.
Features of a castle											
Drawbridge	A bridge, especially one over a castle's moat, which is hinged at one end so that it may be raised to prevent people crossing or to allow vessels to pass under it.										
Moat	A deep, wide ditch surrounding a castle, fort, or town, typically filled with water and intended as a defence against attack.										
Portcullis	A strong, heavy grating/gate that can be lowered down grooves on each side of a gateway to block it.										
Ramparts	A defensive wall of a castle, having a broad top with a walkway and typically a stone parapet.										
How to help your child											
<p>Talk to your child about what you played with/watched on television when you were younger. Take your child to a castle and talk about the features.</p>											

Art and Design	Design and Technology						
<p>Henri Matisse was a contemporary artist who used different media.</p> <p>I know which media to use to create a desired texture.</p>	<p>A prototype may need changing to fit its purpose.</p> <p>How mechanisms work in a drawbridge.</p> <p>Know where vegetables come from.</p>						
Science	Vocabulary						
<p>Plants need the right conditions to grow. They need water, soil, light and warmth.</p> <p>How plants change as they grow.</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <tbody> <tr> <td style="width: 30%;">Observe</td> <td>To recognise changes and the significance of them.</td> </tr> <tr> <td>Print</td> <td>Making an impression using an object.</td> </tr> <tr> <td>Prototype</td> <td>The first version of a model that may need improving.</td> </tr> </tbody> </table>	Observe	To recognise changes and the significance of them.	Print	Making an impression using an object.	Prototype	The first version of a model that may need improving.
Observe	To recognise changes and the significance of them.						
Print	Making an impression using an object.						
Prototype	The first version of a model that may need improving.
