Monthly Newsletter

October 2015

Dear Parents and Carers,

Welcome to the latest edition of our newsletter.

The Autumn Term is progressing well. All our pupils are working hard and showing great enthusiasm for learning.

I am looking forward to seeing many of you in school for our termly Parent Consultation Meetings. At these meetings you will have the opportunity to complete the annual parent questionnaire which is an opportunity for you to comment on key factors affecting your child's education. As we would like to follow up any areas of concern identified it is important that you include your name on the questionnaire. We are committed to ensuring that every pupil and his/her family is satisfied with the school.

Thank you for your continuing support

Best wishes

Harvest

Thank you very much for your generous donations of food items for our Harvest Festival last Friday. All the donations have been taken to 'Doorways' to help those less fortunate than ourselves.

Playground Planters!

As part of the refurbishment programme planters have been placed in the playground. Year 6 have been busy calculating how much topsoil is needed to top them up. Each year group has been assigned a planter. If you would like to help by providing plants or bulbs, or by maintaining the planters with the children, then please speak to your child's class teacher to see what their plans are.

Thank you.
