

Osmaston Primary School Child Friendly Version of our Safeguarding Policy

What is safeguarding about?

All of the adults at Osmaston Primary School think that the health, safety and welfare of all pupils are very important.

In our school we respect our children and help to protect their rights.

We teach all pupils how to recognise risks in different situations and how to protect themselves and stay safe.

How will we try to safeguard children?

We provide a safe environment in which children can learn.

We want to help ensure that children remain safe, at home as well as at school.

We think it is important for all children to know where to get help if they are worried or unhappy about something.

What should children do?

Speak to an adult at school if you are worried about something

If you can't speak to someone – put your worry in the Worrybox situated in the atrium.

If you need to talk at any time – remember you can talk to Childline:
