We discussed that it is Sport Relief on Friday 18th but felt we could not organise a big Sponsored Event in Time It was suggested that we could have School Council members in stocks for people to throw sponges at them. It was also suggested that we could use a basketball net and charge people to get a ball in the basket to win a prize These ideas are perhaps more suitable for Summer Fair.</p> <p>We also suggested a Sponsored Obstacle Course Chantelle said she would ask Premier Sports if they would provide apparatus for this.</p>		Chantelle will report back when she has discussed Obstacle race with Premier Sports
