Opening Special Edition

Dear Parents/Carers,

Welcome back to the Autumn Term at Osmaston Primary School. I hope that you all had an enjoyable summer holiday.

We have had a good start to the new academic year. The children have settled in well to their new classes and are displaying good learning behaviours and a very positive attitude. It is lovely to be together again!

I would like to extend a special welcome to all new children. I trust that they enjoy their time at Osmaston Primary School and the opportunities that the school has to offer.

As a school we:

- value and respect ourselves and everyone in our wider school community.
- are totally committed to equality of opportunity and actively oppose all forms of discrimination.
- strive to nurture a love for, and life-long enjoyment of, learning.

In partnership with parents, governors and the wider community, staff and pupils strive to maintain a welcoming, caring, safe and secure environment and to ensure a learning culture of continuous challenge and high expectations.

I am certain that we will see a school year in which pupils prove themselves to be hard-working, healthy, safe and responsible members of our school community and I look forward to sharing with you the children's achievements and successes.

Thank you for your continuing support

Best wishes

Judith Lloyd-Williams
Headteacher

Official Opening of the Refurbished Osmaston Primary School

On Wednesday 23rd September, staff and pupils joined with representatives from the local community, Derby City Council and constructors Wilmott Dixon to celebrate the opening of the refurbished school. The honour of cutting the ribbon fell to the Right Honourable Dame Margaret Beckett who later joined members of the School Council on a tour of the school.

Here are some of the pictures of a momentous day in the school's history. The children involved will surely remember the day's events for many years to come!

As the children stated in their speeches, thank you to all those involved in the development work!
